The Sanitary Superintending Engineer will expedite the investigation of and report on the subject.
Subject No. 232. Drainage Scheme for Chikmagalur.	The drainage scheme for Chikmagalur should be expedited.	The D. P. W. will take it up when funds are available.

Subject No. 235. Water-supply to Mudgere Town. Mr. Davud Sab of the Mudgere Taluk.	Though representations were made on several occasions, a good water-supply has not yet been provided for the Mudgere Town.	The D. P. W. will take this up in due course. These schemes are being dealt with in the order of urgency.
Subject No. 236. Chattrams at Banakal and Kotgehar. Mr. Davud Sab of Mudgere Taluk.	Banakal and Kotgehar are important roadside halting stations, and travellers are put to great inconvenience for want of chattrams there. Chattrams may be ordered to be constructed in these two places. If only one chattram or musafirkhana is to be built, Banakal would be a more eligible place than Kotgehar.	To P. W. Department.
